MARCUS WILL DUPLICATE BIG CITY PRICES

Marcus Frank wants it distinctly understood that he will duplicate in Ocala the prices on any merchandise that can be bought in Tampa or Jacksonville, except on such articles as stoves, etc., on which freight must be added. Mr. Frank has studied prices on merchandise from Miami to Jacksonville and deems Ocala the cheapest place to buy he knows of. If you doubt the statement, he stands ready to prove it.

AN OPEN LETTER

FROM REV. C. C. CARROLL

Natchitoches, La., June 29, 1939.
Editor Star: A clipping having been sent to me by some of my Ocala friends purporting to be from the Owensboro, (Ky.) Inquirer, and commented upon editorially by both the Banner and Star, I take this method of making a public statement concerning the clipping and comments.

First. Without the comment of the Ocala Banner I would not have deemed any statement of any kind necessary, after my four years spent in Ocala, but lest others show the same promptness in condemning me, unheard and accusing me unjustly of ingratitude, double dealing, etc., I hereby publicly say I am unaware of the source of information which led the Inquirer to publish its statement and am innocent of ever intentionally saying one word to the detriment of either Ocala or Florida, but on the contrary have constantly made both a theme of praise and a subject of the kindest words. Indeed what I have ever had to say about the things in Ocala needing reproof from the teachings of God's word I have said in Ocala and always stood foursquare upon what I said.

Second. Sorrow is the feeling prompting me the most in reference to the unkind editorial comment by Editor Harris, for whom I have not only always had bouquets to throw at his feet but would freely deck his brow with laurels. As for the Star, I have always rejoiced in its light and its luster is enhanced by its kind statement concerning its faith in me.

Third. Without even knowing the editor of the Owensboro Inquirer, I really believe that he surely had no idea or intention of putting me in a false light before the Ocala people, or any one else. Sincerely yours, and with love to Ocala, C. C. Carroll.

DR. POWERS IS SINKING

Dr. W. H. Powers, one of Ocala's youngest and best loved physicians who has been so ill for the past few weeks, is sinking this afternoon and it is feared the end is very near. All the members of the family are constantly at his bedside. The city as a unit is sorrowing over the condition of this splendid young man.

Little Miss Minnie Jackson, aged 10 years, came to Ocala yesterday all alone from her home in Montgomery, Alabama, to visit her aunt Mrs. Henry Livingston for a few weeks. Minnie got through fine and the conductors said she traveled like a regular globe trotter.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease, and therefore requires constitutional treatment.

Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer for one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
